

# ITALIAN

To students currently enrolled in ITAL 100- and 200-level language classes:

The Department of Modern Languages is planning for our transition to semesters in the fall of 2012, and we are committed to helping you complete the required foreign language sequence before the transition occurs. To that end, we urge you to plan carefully when you will take each of your remaining courses. Here is the list of course offerings for the current academic year:

## 2011-12

If you have completed 113, you must enroll in 2110 (first semester, second year)
